City's insurance claims top \$600,000

by Ferrin Cox, Publisher

The Elba City Council heard an update Monday night on the amount of flood insurance which has been received to settle March 8th flood damage claims on six city-owned buildings. These insurance funds do not include the monies paid to the city by FEMA for damages to roads, sewers and some equipment lost to the high waters. Neither does it include any emergency work done by the Corp of Engineers immediately after the flood. Another huge item of financial help to the City of Elba has been State of Alabama funds given by various state agencies, after approval by Gov. Fob James. Those have all been reported previously. •The total of \$609,634.40 is a fair amount in most incidents, according to Mayor James Grimes. He said they were still considering appealing the contacts award on the library. The estimated replacement

THE PRESSBOX

By Ricky Mularz

School gets out next week, and I guess it is a good thing it does, because the kids at the Mularz house seem to be spending every night of the week at the ball parks and spending very little time with their noses stuck in their school books. I know that by this time of the year most of the learning process at school has almost ended, but it is still scary when one of my kids puts studying on the back burner.

Dusting off the desk ...

***The Elba Tigers concluded spring football drills last week with a spring game against Samson, and closed out the spring with a bang as both the JV and Varsity teams posted wins over their opponents. The JV team, which consisted mostly of players not starting in their primary positions, posted an easy 8-0 win and could have won much worse, but the game lasted only twelve minutes, which allowed the Tigers only two possessions on offense. The Varsity Tigers scored late to claim an exciting 14-6 win, and looked much more disciplined and dedicated than the Tigers that took the field at times a year ago. Quarterback Bradley Bowers had a big night both running and passing to lead the offense, while over on defense the Tigers really got after the football and passed some licks. It was the first time the Tigers had ever played an outside opponent in the spring, but it was a good game and maybe will be an annual event for the Tigers and their fans to look forward to. One thing for certain, it gave Tiger fans hope for next season!

***The Elba Lady Tigers saw their state title hopes come to an end last weekend when they placed fourth in the Section Tournament in Jackson. The Lady Tigers closed out the regular season with a 21-12 record and had high hopes of making it to sub-state and on to the state tournament, but last weekend the Lady Tigers simply didn't play well enough at the plate or in the field to post many wins. While the Lady Tigers, their coaches and their followers were disappointed with the way the season ended, they should look back at the 22-14 record and realize that the team is still very young and has its best days ahead. Maybe they will remember the way they felt Saturday afternoon when they get back

to the field next season, and pay some folks back. ***The Men's Softball League in Elba is alive and well after a one year- absence, as six teams are taking part in this year's league, with interest better than ever. The six teams include a number of younger players that should be playing the sport for years, and that should mean that bigger and better years are ahead. It was a sad season last year with

no men's teams, but softball is back and will get even better, real soon. ***If you are bored with television and are looking to get out of the house, come on out to Hawkins-Williams Park or Legion Field on just about any night of the week and you will get to watch baseball or softball action at an almost non-stop pace. There are 21 softball and baseball games played at Hawkins-Williams on Monday through Thursday, while over at Legion Field a minimum of 10-12 games are played on Monday through Friday. Add to that the six games a week played at New Brockton and the games played in Luverne and Highland Home, and you can tell there is more than enough to do at any of the area parks.

Lady Tigers end regular season with 21-12 record

The Lady Tigers trailed 10-4 in the third inning and appeared ready to be blown out, but battled until the final out, only to fall short. Amber Frederick and Michelle Lewis both got 3 hits for the Lady Tigers, while Melissa Mularz added 2.

Elba spotted Zion Chapel an early 3-0 lead and then came storming back to rip the Lady Rebels 19-4. The Lady Tigers trailed 3-0 after three innings and still trailed 3-2 after four, but broke loose late and rolled to the big win. Melissa Mularz and Vaughan Boyd both got

Ladies fall short of state goal

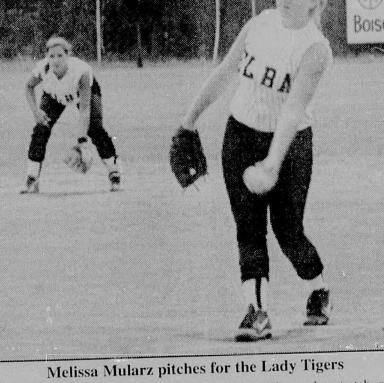

The Elba Lady Tigers made the long trip to Jackson last weekend to compete in the Class 3A, Section 1 Softball Tournament, and posted one win in three games to see their state tournament hopes fall two wins short.

The Lady Tigers posted a win over UMS-Wright, of Mobile, 13-10, but lost to Rehobeth 14-4 and Washington County 12-11, to finish the season with a record of 22 wins and 14 losses. The Lady Tigers began tourna-

ment play against Rehobeth and saw an early lead vanish under a Rehobeth rally as Elba lost 14-4. The Lady Tigers scored four runs in the bottom of the first inning to grab an early lead, but failed to cross the plate again as Rehobeth rallied to post the big win. Disaster

The temporary disaster loan assistance office opened in Elba by the U. S. Small Business Administration (SBA) will close at 6:00 p.m. on Friday (TOMOR-ROW), May 22, 1998. The office, located at the

Recreation Center, Old Army Reserve Center, 764 North Claxton, n Elba, has been open since March 14, 1998. Until the office closes on May 22, it will remain open Monday through Friday from 9:00 a.m. to 6:00 p.m.

To date, SBA has approved \$7.9 million in disaster toans owners, renters, landlords, and business owners in eight counties who had damage caused by severe storms and flooding that occurred March 7 - 21, 1998. Coffee County disaster victims

were approved for \$6.1 million in disaster loans. That's 77 percent of all loans approved.
